A Short Story of the Play

Miss Evelyn Barnes, an American girl, born in Japan, and whose parents die of fever, is brought up as a Japanese maiden. Her father's secretary uses her property for his own ends. When Evelyn, who is known as Cherryblossom, is about eighteen, Worthington (the secretary) returns to Japan on his yacht, with a party of American friends. One of them, John Henry Smith, falls in love with Cherry and wishes to marry her, but Kokemo, who has brought her up as his own daughter, wishes her to marry Togo, a rich politician. The action of the play is centered around these rival claims.
